## *APRIL 2021 FINANCIAL SUMMARY*

1. Revenue totaled \$524,000 for the month of April. This compares to budgeted revenue of \$515,000 or \$9,000 over budget. Revenue was \$18,000 higher than budget from state funding sources and should continue to run slightly above budget for the remainder of the year. We are over-budget \$19,000 from State funding on a year-to-date basis.

Student activity fees were higher than budget for the month (\$2,000 over) and are over budget by \$23,000 for the year to date. These fees will most likely be slightly higher than budget when we complete the fiscal year. Finally, we were under-budget by \$10,000 for CARES Act revenue and \$105,000 year to date. This revenue will be recognized when reimbursement money is received from this program. This will occur prior to the end of the year and will be at our budgeted amount for this program when it is completed.

2. Expenses for April totaled \$504,000. This compares to total budgeted expenses of \$461,000 or \$42,000 over budget. April expense line items that were significantly higher than budget included:
  - Professional Services – total fees for the month were \$21,034. This includes fees paid for legal services to Turner Caudell (\$6,013) and Haynsworth (\$11,021) and Adam & Reese \$4,000.
  - Construction Services – total expenses of \$111,741. Payments were made in the month to Hood Construction for construction related services to install the modular classroom in 2020 in the amount of \$54,874. In addition, a \$56,867 progress payment was made to White Crane for the new weight room.
  - Repairs and Maintenance – total expenses of \$30,351. This includes \$20,124 paid to Mid-Carolina Heating for new A/C units and repairs.

3. The school had a profit for the month of \$20,000. This is \$34,000 under the budgeted profit of \$54,000. The shortfall compared to budget can be primarily attributed to the construction related expenses paid in April. Year to date, profit is at \$662,000 versus \$542,000 for the budget.
  
4. Cash balances were \$2,465,000 as of May 12, 2021. Cash increased substantially in March due to the receipt of funds from the Payroll Protection Program loan in the amount of \$507,332. In April, funds remained substantially the same as March due to small profits for the month and timing of cash payments on accounts payable. Cash balances represent 115 days of cash on hand. Cash balances were \$1,657,000 for the same period last year. Cash balances do not include funds held at South State Bank.

## Athletics

### **Spring Sports**

We are wrapping up the spring sports season. Our baseball team is still playing in the playoffs. They play Abbeville tonight at 8 p.m. at Midland Sports Complex. Come out and support our guys. If they win tonight, they will travel to Legion tomorrow to play for an Upper State title berth.

Our softball team lost to Legion to play for the District Championship. They had an outstanding season. They are a very young team with a lot of talent returning and will be a contender for the next couple of years. Region Champs.

Our girls soccer team lost in the first round of the playoffs. They are a young team and still managed to win a Region Championship and host the first round. We are excited for what the program has in store.

Our boys soccer team had another great year making it to the Upper State Championship and losing 1-0 to the eventual State Champion Christ Church. Another great season with a strong team returning next year. Region Champs.

Two new programs were our boys golf team and our track team. In their first year our golf team won the region championship and made a top ten finish at the State tournament. Coach Bethune did a great job with this group and all will be returning next year except one.

Coach Robinson did a great job with our track program. Four of our athletes qualified for the Upper State Championship. Chris Rhone qualified for the State tournament placing second there. This past weekend at the State tournament he placed fourth in the long jump. Congratulations to Chris.

Note for the whole Athletic Season:

- 46% of our senior athletes signed or either received scholarship money for college (National average is 6%)
- 18% our senior athletes signed or either received scholarship money to play at the Division One level (National average 2.8%)
- 10 Region titles won (out of 12 sports)
- 60 All Region Players (School Record)
- 10 All Region Players of the year
- 9 Coaches of the Year
- 3 Upper State Title Appearances (Football, Boys Basketball, Boys Soccer)
