GRAY COLLEGIATE ACADEMY

DECEMBER 2021 FINANCIAL SUMMARY

- 1. Revenue totaled \$669,000 for the month of December. This compares to budgeted revenue of \$592,000 or \$77,000 over budget. Revenue was over-budget by \$35,000 from state funding sources since the School received its revised funding from the State based on its 45 day count. Enrollment for funding increased to 673 students which is now higher than budgeted enrollment of 650. Revenue from the State will exceed budget each month for the remainder of the school year. CARES act revenue was under-budget by \$42,000. CARES act revenue will be recognized when reimbursement money is received from this program. This will occur in future months and will be at our budgeted amount for the year. Finally, fee income of \$105,000 includes \$33,000 of revenue from athletic ticket sales \$56,000 in reimbursements to the school from bond proceeds. The school paid certain bond related expenses up-front and was reimbursed from bond proceeds in December. This pushed fee income above budget.
- 2. Operating expenses for December totaled \$912,000. This compares to total budgeted expenses of \$510,000 or \$402,000 over budget. December expense line items that were significantly higher than budget included:
 - Redemption of Principal totaled \$383,000 and represents the payoff of the Shah debt that was outstanding. Bond proceeds were used to pay off this debt.
 - Professional Services \$15,000 represents payments to Haynsworth Sinkler Boyd for non-bond related services.
 - Audit \$7,000 final installment payment for the FY 2021 audit.
 - Fiscal Services \$5,531 payment for grant coordinator services and bond compliance work.
 - Construction Services \$27,490 represents payments to Todd Helms for construction services and for a project related

- environmental study. These fees were reimbursed to the school through bond proceeds.
- Athletic Supplies and Equipment \$73,829 represents numerous purchases for athletic equipment, game related expenses (primarily football) and \$27,000 for weight room equipment.
- 3. The school had a loss of \$243,000 for the month of December before bond activity. This loss is reflective of the large disbursement to payoff the Shah land debt. The year-to-date loss stands at \$477,000 and compares to a budgeted profit of \$487,000.
- 4. The financial statement also includes proceeds and expenses related to the December bond closing. The School's trust account was funded by \$14,610,000 of bond debt. Payments made at closing from these funds included legal fees, Truist fees and project related fees. The net proceeds will be used to pay for construction services.
- 5. Total cash in banks (exclusive of trust fund cash) was \$2,709,000 as of January 18, 2022. This represents 160 days cash on hand.

Basketball

We are in the midst of our Winter Sports Season. Both our boys' and girls' varsity basketball teams are 4-0 in Region play. They play this Tuesday night against Saluda at Allen University. JV boys start at 5:00 p.m. with Varsity Girls and Varsity Boys to follow. This is a big game for our girls. This series could decide the Region Championship. This will also be a good matchup for our boys as well. So please come out and support our teams tomorrow. They will travel to Saluda on Friday.

Both have had successful preseason games. Both teams traveled to Las Vegas and had a great trip. They fundraised to make it a successful trip. The boys ended up winning their division. The girls had a gritty game at home against 5A Dorman. We were missing some players and ended up losing by 2 pts at the buzzer. The boys also played highly touted Keenan in the MLK Classic at Brookland Cayce. It was the marquee matchup of the showcase and we ended up winning 54-50. Should be an exciting playoff run for both teams.

Spring Sports

We are in the midst of "Open Season" of our Spring Sports. I know that Baseball, Softball, and Soccer are taking advantage of their practice time. The first official practice day for Spring Sports is January 31st. Our Spring Sports are Boys and Girls Soccer, Baseball, Softball, Track, and Golf. Some good news on some of our Spring teams. Our Baseball team is ranked #2 in the preseason polls. Our Boys Soccer team is ranked #2 in the preseason polls. Our girls' soccer team is ranked in the top ten. There hasn't been a poll out for Softball, but this is definitely going to be a year they can make a run as well. Coach Bethune has set up a great schedule for boys' golf who won a Region Championship in their first year. Coach Robinson is excited about this upcoming track season as well.

Ground Breaking Ceremony

I just want to thank the board and Dr. Newsome for all their hard work of making these new facilities a reality. It has been a long time coming. I can't wait to have all of our sports playing here at the school and having our own HOME fields. I think this will really bring our school and community closer together than it already is. It will be a lot easier for parents to support all the programs here at Gray. I am excited for our student-athletes but also for our coaches. They have been great to work with. Having to deal with fields off campus and never making excuses. We have been successful without them but watch what we will be able to do with them. This will be the missing piece that will change the course of our Athletic Department. So again, I say THANK YOU!!!!!
